

Need a **slam-dunk**  
way to tip off  
game days?

# Toss **Ohio Eggs** in the basket.

The average American eats 256 eggs per year. Ohio's egg farmers produce more than **7 billion eggs annually**—that's enough to feed **27 million people!**

Ohio's egg farmers work every day to provide you with safe, nutritious, affordable eggs, while providing excellent animal care and protecting the environment for future generations.
